It is the responsibility of the competitor and Team Manager to ensure that all horses receive a fitness inspection at the appointed time. A rider not complying with this requirement will be excluded from competition at the discretion of the Advisory Committee.

Suspect or doubtful horses may be asked to present for a further inspection by a veterinarian to make the final decision as to participation.

Horses are inspected under saddle. Saddles to be removed on request. A horse verified to be lame by the officiating veterinary surgeon at State Championships shall be scratched from the event by the Advisory Panel.

Horses which fail to pass a veterinary inspection shall not be permitted to re-present at a fitness or veterinary inspection at the same Championships.

**No horse may leave the ground after the fitness inspection at State Championships until the conclusion of the final parade without the permission of the Advisory Committee.**

Note - a horse which is scratched as a result of the Fitness or Vet Check at a State Championship shall not be thereafter ridden at the venue by any person.

Competitors must wear full Pony Club uniform or a casual uniform of fawn jodhpurs, polo shirt (with collar and sleeves) in Club, Zone or State colours, together with regulation cap and boots at all Fitness Checks at State Championships. **Destruction of severely injured horses** - If a horse is so severely injured that on humanitarian grounds it has to be destroyed, the following procedure will apply: if the owner or his/her authorised representative is present, his/her agreement will first be obtained by the official Veterinary Surgeon. If the owner or his/her representative is not available the Technical Delegate, acting on the advice of the Official Veterinary Surgeon, may order the destruction of a horse.

## **GEAR INSPECTION**

## **TEAM IDENTIFICATION AND LANES**

Coloured arm bands will be worn by each team member during the competition. The last rider in each team will wear the team number indicating the draw number allocated to his/her team, a coloured bib and cap to match the lane colour.

Lane colours are: 1 - Blue, 2 - Red, 3 - Yellow, 4 - Green, 5 - Orange.

Back numbers will be issued to Team Managers after 2:00 pm on the day prior to competition. Bibs and cap covers - see Collecting Ring Steward.

## **CLUB/ZONE CHAMPIONSHIP TEAM AWARDS**

Teams: Champion to fifth place for Juniors, third place for Associates

No awards will be given for the Tie Breaker Game.

Fitness Check Presentation - Perpetual Trophy awarded to smartest Team (riders and Team Manager) at Fitness Check.

## **PRESENTATION OF AWARDS**

At the conclusion of the state championship/s, team managers assemble ALL MEMBERS of their teams, mounted and in full uniform (whether ribbon winners or not) for the final parade and presentations. The failure of any competitor to comply may well jeopardize the receiving of an award and/or future acceptance for championship competition. The only exception is when special permission has been granted by the advisory committee following written application from the team manager (see below).

## **APPLICATION FOR EARLY LEAVE**

If, for any unforeseen circumstance, a competitor wishes to leave the venue prior to the final presentation of awards (whether they be ribbon winner or not), their Team Manager is required to make a written request to be lodged at the Secretary's office at the venue for decision by the Association Advisory Committee. Failure to obtain permission may jeopardise future entry.

## **DRAW**

A draw for heats will be made prior to the event and will be available after 2:00 pm on the day prior to competition.

## **SCORING**

The winning team will be allocated 10 points with increments down to 1 point for the team finishing in 10th place. In cases of equality for any placing in an event (including when two or more teams are eliminated) the points will be divided. If a team is disqualified in an event no points will be scored for that event (see Rule 17). In the event of a tied score in the placing for the Champion Team, a Tie Breaker event will be used to determine the placing. The Chief Scorer keeps the scores on the official sheets and promptly marks the results on the score board.

## **TIES**

If there is equality after the 10th game a "Tie Breaker" Event will be used to decide placing. The tiebreaker will be decided upon at the Team Managers' meeting by a ballot involving all the games used at the Championship.

## **MOUNTS**

Must be serviceably sound and well shod, or with their feet properly dressed. Horses must be groomed and well trimmed and manes and tails must **not** be plaited.

## **HORSE AND RIDER QUALIFICATIONS**

Riders must be affiliated, insured members of their Club and meet the attendance requirements for State representation. Horses must be owned by the rider or a member of the same club and be approved by the Zone Chief Instructor for State Competition.

Club Teams - All Team Members must be members of the one Club.

Zone Teams - All Team Members must be members of the one Zone.

## **HORSE IDENTIFICATION PAPERS**

Horse ID forms are required to be sent to the PCA office with entries. Team Managers are required to have a copy of the Horse ID form for each team member at the Fitness Check.

## **UNIFORM**

Club Teams - Each Team to wear their own Club uniform and saddlecloth (polo shirt permitted).

Zone Teams - Each Team to wear their own Zone uniform and saddlecloth (polo shirt permitted).

Full Pony Club uniform is to be worn at this event (i.e. shirt and tie and either fawn or oatmeal jodhpurs) and to the Final Presentation Parade. White Jodhpurs are unacceptable.

## **SADDLERY**

Horses must be correctly turned out with well fitting and properly maintained saddlery and suitable stirrups that conform to Pony Club NSW regulations. Girths must have two buckles or a single buckle and a surcingle exception: western or stock saddle with attachments as designed and manufactured for that particular saddle.

- Martingales: The only martingales permitted are Irish or Running (only 1 of).
- Bits: Allowable biting is as applying for all Sporting events for the PCA of NSW.
- Whips and spurs **are not permitted.**

Badly fitting or unsafe saddlery, or saddles that are down on the withers when the rider is mounted, will result in the disqualifying of that competitor, unless the saddle can be changed to the satisfaction of the Gear Steward before the start of the competition.

Saddlery that is not allowed in the Games must not be worn at the competition venue. Failure to comply with this rule will incur elimination. In all other things, the general rules of the Pony Club Association of NSW apply.

## **EXERCISE**

Competitors may exercise horses in area provided. Horses may only be exercised (this includes lunging) by their nominated riders, except in the case of riders under 13 years, when an adult member may lunge the horse with the permission of the Team Manager. Horses exercised by other than their riders (if the rider is 13 years or older) or with unacceptable gear, may be disqualified from the Championship as a whole.

## **TECHNICAL DELEGATE**

Will be appointed by the PCA Executive he/she will supervise a briefing of Team Managers and together with the Advisory Committee and Judge concerned will officiate in matters of dispute or official protest. His/her duties are to adjudicate on objections, to decide on eliminations and generally to ensure that the competition is run in accordance with the rules. He/she may replace a Line Steward, Starter or Judge, if he/she considers this is necessary. He/she may, on his/her own initiative, "object" and take action on any matter that comes to his/her notice. In general, his/her decision is final and binding, however, matters of extreme contention must be referred to the Advisory Committee. The Technical Delegate will brief all Stewards, the Starter and Judge/s and Time Keepers prior to the competition.

## **JUDGES**

The judge for each lane is the Line Steward at the Start/Finish who shall be responsible for ruling on infringements in that lane. Disqualifications of any team shall be determined by the Judge for that lane, the Starter and the Technical Delegate.

## **LINE STEWARDS**

There must be two Line Stewards for each lane. Stewards will be briefed by the Technical Delegate prior to the commencement of the Games. Line Stewards to be selected by the Advisory Committee.

## **FINALS**

Heats will be timed. The five teams with the best times will contest the Final. The final is decided on a "first past the post" basis.

## **TIME KEEPERS**

Each lane will be timed by one person with two stop watches. One watch is nominated as the primary watch and the second is a back-up watch only. Time Keepers to be located on a raised platform in line with the finishing line and on the edge of the arena. Time Keepers to be briefed by the Technical Delegate prior to the commencement of the competition. In the event of electronic timing equipment not being used, the Timers/Judges place the competitors as they cross the finish line and they must not concern themselves with infringements. The Judges/Time Keepers place **all** teams and record these places (in case of eliminations).

**STARTER** - See General Rule 3.

## **ANNOUNCER**

The Announcers should give a short explanation of each event. He/she calls in the team for each heat and final and announces colours and positions at the start. He announces the results of heats and finals and gives aggregate scores of the teams after each event.

### **COLLECTING RING STEWARD**

He/she checks that items of dress and saddlery are not changed after the inspection without reference to the Technical Delegate. He/she keeps order in the Collecting Ring and gets teams ready to send them into the Arena when required. He/she should deal through Team Managers who should remain in the Collecting Ring and be given bibs, cap covers and/or arm bands to be put on team members. Team managers are also responsible for collecting the bibs, cap covers and/or arm bands immediately following a heat and returning them to the appropriate Steward.

### **ARENA PARTY**

The Arena Party puts up and issues equipment and ensures that everything is ready for each event and removes the equipment when it is no longer required. The Arena Party may catch a horse once it has left the playing area.

### **TEAM MANAGERS**

Each team must have a Team Manager who is a member of Pony Club and not a competitor. He/she is responsible to check equipment and uniform and send the Team into the collecting ring immediately when they are called. The Team Manager may not enter the arena when his/her Team is competing. He/she is responsible for the distribution and collection of arm bands (as issued by an official immediately prior to each heat). Same to be returned to appropriate Official immediately following the heat. Team back number to be collected on the day prior to competition - \$10.00 deposit applicable. **PRIOR TO EACH GAME, THE TEAM MANAGER MUST HAND TO THE STEWARD A LIST OF THE NAMES OF THE RIDERS TAKING PART IN THE NEXT GAME AND THE ORDER THEY WILL RIDE.** This will ensure that the reserve rider is used. ***Name, Club and phone no. of Team Manager/s to be stated on entry form.***

At State Mounted Games Championships Team Managers are responsible for ensuring riders, after falls and other incidents, are checked by an ambulance officer before they are allowed to continue.

Team Managers must be suitably attired and wear identifying badges at all times. For distinguishing purposes it is recommended that Team Managers wear the uniform of their Zone. Team Managers are to pay camping and stabling fees in one cheque to the host zone.

### **PROTEST**

No protest will be allowed relating to the starting, judging or stewarding of any event. A protest arising out of a heat or final (other than starting, judging or stewarding) must be made **in writing** by the respective Team Manager and handed to the Secretary's Office or Technical Delegate **only**. A decision is to be made before the start of the next heat or final. All such protests must be lodged within ten minutes of results/scores being posted. A protest arising out of the final must be lodged **before the awards are made**.

No other protest will be considered. Protests must be made in writing and be accompanied by a \$20.00 fee.

### **WEIGHT**

A rider weighing 8 st 5 lbs (53 kilograms) dressed to compete, may not ride a horse 12.2 hh or under. An objection to a rider weighing over 8 st 5 lbs (dressed to compete) riding a horse 12.2 hh or under, may be made at any time during the competition. Objections will be referred to the appropriate Committee for decision.

NB: Advisory Committee will provide a measuring stick and bathroom scales.

### **ADVISORY COMMITTEE**

The Advisory Committee together with the Executive of the Pony Club Association are final arbiters in making decisions on Protests or Policy. The Committee reserves the right to alter or delete any part of the programme and make any alterations to equipment and/or arena as required in the interest of safety. Neither the Organising Committee nor the Pony Club Association of NSW accept any responsibility for accident or illness that may befall any horse, rider, groom, spectator, vehicle or any other person.

### **DISQUALIFICATION**

Disqualification of a team is only to be used when the Advisory Committee considers that there has been dangerous riding or other reasons set out under rules 17, 18 or 19, and in the case of disqualification, no points will be scored.

### **PROFESSIONAL COACHING**

Competitors may not be coached by professional coaches while at the venue, at the risk of disqualification from the Championship.

### **INSTRUCTIONS FOR LINE STEWARDS**

1. The Line Stewards' signals are for guidance of the Technical Delegate and the Competitors. Line Stewards are briefed by the Technical Delegate and familiarised with required flag signals.

2. Line Stewards must have a thorough knowledge of the rules and have studied carefully the details of each race in the competition they are to steward. They must be over 17 years of age. Same Line Stewards to be used throughout the whole competition.
3. They must attend any briefing by the Technical Delegate prior to the Games and at any other time as notified. Punctuality is essential.
4. The Line Steward's position is three or four yards beyond the finish or Changeover line and in line with the lane they are judging.
5. Line Stewards must wear coloured bibs or armbands (4" wide) for lane identification. This prevents unauthorised personnel giving signals. Bibs and/or armbands will be given out by the Technical Delegate.
6. Where possible, Line Stewards should not act in a heat or final in which their own team is competing.
7. Each Line Steward carries a flag the same colour as the lane. Any infringement of the rules must be signalled at once by raising the flag, keeping it up until the end of the race unless the infringement is corrected, when it is immediately lowered again. When a Line Steward signals an infringement, the Line Steward at the opposite end MUST also signal with their flag.
8. Line Stewards must not call back or call instructions to any competitor, but they must answer a competitor's question (as briefly as possible).
9. Line Stewards at the changeover line should ensure that competitors do not ride back down the arena until the race is over. They must stand away from the "playing area".
10. If one team's equipment is upset by another team, the nearest Line Steward of the team upset should quickly set this up again, if this is possible.
11. Close concentration is necessary by Line Stewards and Officials, throughout each race. Line Stewards must be sure not to be distracted by anything - even a bad upset in another lane.
12. Competitors should be made aware of the Starters whistle in the event of a false start.

#### **LAYOUT OF COMPETITION ARENA**

It is advised that the maximum arena is 100 yards x 80 yards (92 m x 74 m) and the minimum size is 80 yards x 60 yards (74 m x 55 m).

There will be a "6 yard line" (5.5 m) behind the start and changeover lines. Riders not involved in a hand-over must keep behind this line. Where possible the arena should be marked out with posts and rope.
